WHAT YOU WILL GAIN

Every successful applicant begins their Amos journey in our Progressive Network, with opportunities to progress to our Scholars pathway.

We offer a life-changing five-year programme designed to provide:

- Personal and professional leadership development
- University and career preparation, commercial awareness and internships
- Networking and cultural enrichment opportunities
- Mentoring, wellbeing activities, and a lifelong community of support

WHO SHOULD APPLY?

British state-educated students who are:

- Of African or Caribbean heritage
- Entering Year 12 in September 2026
- Academically high-achieving
- Demonstrating leadership potential and ambition
- Ready to commit to a five-year development journey

The Amos Bursary is for young people who are ready to learn, lead and give back.
Additional eligibility criteria apply. Visit our website for full details.
